Dear Mr. Buchfink:

The Texas Commission on Environmental Quality (TCEQ) has received your "Application to Claim a Registration by Rule" in accordance with Title 30 Texas Administrative Code Section 330.9(l).

This letter acknowledges receipt of your claim. It is not an acknowledgment regarding compliance of your operation with state and federal rules and regulations. Failure to comply with all rules and regulations regarding the transporting of untreated medical waste may result in enforcement action and/or the revocation of your transporter registration.

A copy of your claim for registration and all amendments must be available at all times and at all locations where business is being transacted under this registration, including all motorized vehicles or trailers operated under this registration. Enclosed is a copy of your claim.

If you wish to renew your claim, an application for renewal should be submitted at least 60 days prior to the above expiration date.

By March 1 of each year a report summarizing transportation activities for the preceding calendar year (January 1 through December 31) must be submitted to the TCEQ.

If any information provided in the claim changes, you must provide an update application within 30 days.

This action is taken under the authority delegated by the Executive Director of the TCEQ.
